TICKETS ON SALE NOW

Award-winning actor Jason Woods make his Edinburgh Fringe Festival debut with his latest stage creation, *A Mad, Mad Wonderland!*, where he embodies a cast of characters in a zany romp through Wonderland, from the anxious White Rabbit to the volatile Queen of Hearts, and the Cheshire Cat. Woods will also be performing his Off-Broadway show *Bing!* at the Forest Theatre at Greenside @ George Street for the run of the Fringe.

Jason performs *A Mad, Mad Wonderland!* at a breakneck pace while seamlessly morphing between characters, some of whom evoke the spirit of beloved theatrical icons including Jack Nicholson and Jeff Goldblum. When the Queen's song vanishes, Alice must brave the tea party chaos and its bizarre inhabitants to save the Rabbit from a chocolate-dipped doom and rediscover the magic she thought she'd outgrown.

Currently based in Jacksonville, Florida, USA, Jason Woods has created musicals and plays, all original works for over 12 years, including film. He received rave reviews for his 2022 Off-Broadway run of *Bing!*, where he received a 2023 Off-Broadway Alliance Award nomination for Best Solo Show. Woods received the Best Actor award for his performance of *Bing!* at the 2021 United Solo International Theatre Festival (NYC).

Jason is developing a limited series and has completed a feature-length screenplay for his psychological drama, *The Reality of Nicholas Burke*. An autodidact, Jason writes, directs, and composes all the orchestral music for his productions. If there is a word that describes his intentions in art and the magical exchange with an audience, that word is simply...transformation.

“I have always dreamed of performing my work on an international stage and that opportunity doesn’t get any bigger than the Edinburgh Fringe Festival,” says Woods. “And getting to perform two shows [*A Mad, Mad Wonderland!* and *Bing!*] exceeds my wildest dreams. I’m here to share the joy, magic, and adventure of these stories with the child in all of us.”

“*Jason Woods is beyond talented and must be seen.*” [*Times Square Chronicles*](#)

“*[Jason Woods] proves that magic, adventure and transformation are possible on a seemingly bare stage.*” [STAGEANDCINEMA.COM](https://stageandcinema.com)

**** Jason Woods will also be performing his Off-Broadway show *Bing!* at the Forest Theatre at Greenside @ George Street, 1 – 23 August (18:25). ****
